

What do pupils think about RE at Millfields?

Learning in RE in KS1 & KS2

Spring 2017

- What have you thought about in RE this term?
- Has anything surprised you?
- What do you remember the most?
- How could we improve the teaching of RE at Millfields?

Year 1

We have been learning about the mosque. My best lesson was Christianity lots of people go to church and pray to God.

Joseph

We learned about Islam. My teacher taught us about how they pray in Islam.

Jasmine

We learned how to pray by some experts like Jasmine. Maybe, we can pray in assembly altogether to make RE better.

Victor

Year 2

I learned about Krishna and that he liked butter.

Alisha

We learned about Rama and Sita. I also remember about Krishna.

Vivian

Year 3

I learned that there are two sections in the bible with loads and loads of stories. My favourite lesson was when I had to remember the 10 commandments.

Lena

I learned that the bible has lots of common names. Also, I learned about how the books in the bible were set out. I would like more people to come in to speak about their religion.

Kit

Year 4

In Christianity there are lots of different denominations and they believe in One God. I remember that Israel was where Jesus died and he prayed in the garden.

Joel

I remember learning about the Pooja ritual in year 4 Millfields. I think we need to explore deeper by making things.

Molly

I never knew that Christianity has lots of different denominations, it surprised me. I think we should learn more about RE and to take trips.

Alisha

Year 5

Sikh's wear turbans to hide their hair and to keep it clean because they are not allowed to cut it. To improve RE at Millfields, I think we should have more RE lessons.

Tanvir

Sikh's carry a mini sword with them. My most memorable lesson was Christianity because I learned about a religion that is different from mine. I would like us to go on more trips, like to see temples.

Zahrah

Year 6

Ca
