# **Orange Overlords**

I FOR ONE WELCOME OUR ORANGE OVERLORD

Our School

We plan to ensure there is more variety in the school dinners everyday so that there is always something for everyone to enjoy. We want bigger portions to reflect the age of the children too.

We will do this by:
- Taking pupil voice to hear what pupils want to eat
- Having regular meetings with the person who designs the menu
- Having regular meetings with Alicia and the catering team
- Getting feedback from children through school council meetings
- Having more themed food days
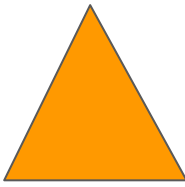

Our Community

We know children have been affected by lockdowns and lack of socialisation and extra-curricular activities. That's why we plan to implement more after school clubs in our school and local community.

We will do this by:

- Writing to the Mayor of Hackney and local councillors about the issue
- Asking for parent volunteers to keep costs low; to assist with setting up the various clubs, and to connect with the local community that is Millfields.

Our World

We aim to reduce the amount of litter on our streets.

We will do this by:

- Developing systems to recycle more plastics;
- Finding ways to help Hackney Council clean up the streets of the thousands and thousands of masks and other waste due to covid.
- Advertise and encourage the use of more reusable masks, instead of one hit wonders.
- Urging people to wash their masks more often, and ask Hackney Council if they are willing to provide reusable masks for those not able to afford them.
- For people who have hearing impairments, we will produce masks that have a transparent section across the mouthpiece, so they can lip read.

VOTE ORANGE OVERLORDS!

So why vote for us?
Because we are the party of the people, for the people. We, alongside you, will achieve all our goals to make Millfields Community School; Hackney Borough, and planet Earth a more humane society.

This is more important than ever before, due to the past 15 months, where people felt trapped; alone and helpless. We want people to feel more included with their family and friends, and feel safe at the same time.

KEEP CALM AND VOTE ORANGE
