The Latest On Millfields Community School Election

FREE!

The Final Countdown Is Over !

Earlier this morning, at 10 AM, the whole of Millfields eagerly walked to the playground to hear the final results of the election. We first received a speech from Jane who invited us all to sit down and then thanked all of the staff, governors and party leaders who've helped us phenomenally throughout this week. Every single person was extremely keen to hear who would be the new Deputy and Official Prime Minister of our school and we were all very pleased when we got the news!

Congratulations to Solomon from the Greener Is Greater party and Suki from the Rapping Reds for becoming our next Prime Minister and Deputy PM from 2017-18. We guarantee that Yr6 (us!) will be cheering you on before they leave for secondary school and that the rest of the school and staff will be rooting for you throughout your whole experience as our newest PM and Deputy.

Finally, we'd also like to congratulate Ahlaam, Ashleigh and Arjanit from Sky High Blues, Peaceful Power and Orange Energy for competing this year and working very hard towards their ambitions!! You may not have won this year but never lose hope & keep trying; you'll get there soon!

By Fatima and Maggie.
